

◀**Brigid Pasco**▶ <http://brigidpasco.com/>

Brigid Pasco holds a BA in dance, computer music and interactive technology from Hampshire College. Her work encompasses and intertwines many disciplines, including dance, theater, music, and performance art. Common themes of exploration include interpersonal dynamics, alienation and definitions of self vs. group.

◀**Stella Veloce**▶ <https://soundcloud.com/stella-veloce>

Stella Veloce is a multi-instrumentalist and a composer. Holding a cello degree, he is currently studying composition at the UdK Berlin. Experimental but never arcane he evolves his traditional classical discipline into realms of improvisation and live sampling.

◀**Alessandra Eramo**▶ <http://www.ezramo.com/>

Alessandra Eramo is a Berlin-based sound artist and vocalist originally from South-Italy. She works with the human voice as a multi-faceted instrument, she creates live-performances, soundscape and sound poetry compositions, installations and videos questioning concepts like 'identity/belonging', 'intimacy/fragility', 'unexpected/unknown'.

◀**Neele Hülcker**▶ <http://www.neelehuelcker.de/>

Neele Hülcker is a composer from Hamburg who lives in Berlin. She intends the sense of music not in the gratification through "logical" or "beautiful" designed patterns and sounds and vanishing into musical dream worlds, but in a confrontation with the people, with the Here and Now in this world and the listening in itself.

◀**Andi Stecher (dj set)**▶ <http://andistecher.org/>

Andi Stecher works in a wide variety of genres of music and Sounds/ Performing Arts. His playing involves a very melodic and polyrhythmical approach to the drums, spiked with straight forward beats.
